In addition, any nonresident who does not satisfy the requirements of an Idaho citation will have his/her hunting and fishing license revoked in their home state until those requirements are satisfied. ## Residency Requirements

**RESIDENTS AND NONRESIDENTS:** To buy hunting and fishing licenses with a VISA or MasterCard, call 1-800-55HUNT5, 1-800-824-3729 or go to the IDFG website at <http://fishandgame.idaho.gov> 24-hours a day. Residents must have an Idaho driver's license (to verify residency). The information must be read exactly as it appears on the license. Most licenses will be valid for use immediately. Some tags/permits are also available from these sources. The charge for processing phone-in applications is three percent (3%) of the transaction plus \$3.00; the charge for internet applications is three percent (3%) of the transaction plus \$3.50. Call 208-334-3700 for more information.

### Resident:

Proof of residency is required before issuance of any resident license. A resident is defined as any person who has been domiciled in the state of Idaho, with a bona fide intent to make this his/her place of permanent abode, for a period of not less than six months immediately preceding the date of application for any license, tag or permit. A senior resident is defined as any person who is over sixty-five (65) years of age and who has been a resident of the state of Idaho not less than five years immediately preceding the date of application for a senior license or tag. Domicile means the place where an individual has his/her home to which he/she has the intention of returning whenever he/she is absent.

A driver must produce his/her Idaho driver's license as proof of residency; or a nondriver must produce suitable proof of residency, such as an Idaho Identification Card issued by the Department of Transportation, **OR** two documents bearing his/her name and address (not issued by himself/herself) such as: in the case of a child under 18, identification from a parent; rent receipts or mortgage statements for the previous six months, home utility bills for the previous six months, notarized statement from an employer on business letterhead, or proof of voter registration dated six months prior. A previous year's hunting license is not proof of residency. Ownership of real property or paying of property taxes within the state of Idaho is NOT a qualification for residency. No one can claim Idaho resident privileges while claiming resident privileges in another state (except military personnel).

A member of the U.S. military service or of a foreign country, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days preceding application shall be eligible, as long as such assignment continues, to purchase a resident license. A member of the Idaho National or Air National Guard, domiciled in Idaho for 30 days preceding application shall be eligible, as long as such residency continues, to purchase a resident license.

Idaho residents who are in the U.S. military service, and maintain Idaho as their official state of residence, together with spouse and children (under 18 years of age) residing in his/her household shall be eligible to purchase a resident license. The service person himself/herself is eligible to buy a furlough license from any vendor while on leave. Other permits and validations must be attached as required.

### Nonresident:

You are considered a nonresident if you:

- Have a driver's license in another state
- Register to vote in another state
- File income taxes as a resident in another state
- File a homeowner's exemption in another state.

The exception is **ACTIVE DUTY** military personnel, their spouses, and children under 18 living in their house that have been permanently stationed in Idaho and have been physically present in Idaho for at least 30 days.

Ownership of real property or payment of property taxes in Idaho does not establish residence.

**Nonresident Tag Quotas:** There is a quota on the sale of nonresident deer and elk tags. Quotas may be exceeded under the following conditions:

- Persons who have moved into Idaho and are establishing residency who can, by affidavit, show proof of their intent to become bona fide residents, but are not now fully qualified to buy a resident license, may purchase a nonresident deer tag and/or nonresident elk tag through the headquarters or regional offices.  
IDFG may, upon receipt of an unused nonresident deer or elk tag and a notarized affidavit stating that the tag buyer has not hunted, issue an additional tag to provide a hunting opportunity within the nonresident hunter quota as follows:
- To another nonresident designated by the buyer.
- If the buyer does not make a choice and has retained an outfitter or guide, the outfitter or guide may make the designation.
- If no designation is made by the above, IDFG may sell the replacement tag on a first-come, first-served basis. The designated buyer will pay the regular fee for the replacement tag.

### RESIDENT LIFETIME LICENSE CERTIFICATES

Regardless of your age, the purchase of a lifetime license could be the best investment you ever make. Lifetime combination hunting and fishing licenses authorize all privileges associated with a corresponding annual license. These licenses are valid for the lifetime of the license holder and are available to all residents of the state of Idaho. If a lifetime certificate holder moves out of the state of Idaho, they will continue to receive an annual license. Those lifetime certificate holders who move out of the state of Idaho will have to pay nonresident tag and permit fees. The lifetime certificate does not include tags and permits. Lifetime certificates can be purchased at IDFG headquarters and regional offices.

Applicant Age	Combination	Hunting	Fishing
0 - 1 year	\$ 795.50	\$276.75	\$601.75

Bring current year documentation when applying. Disabled licenses can be purchased at IDFG offices, select license vendors (see website for list), and through the mail.

**NOTE:** The following licenses, permits, etc., are available ONLY at IDFG offices: Commercial licenses, duplicate tags, lifetime license (renewal beginning second year of ownership) bear baiting permits and bobcat pelt tags (pelts are tagged at regional offices and the Hunter Education Center only).

Children must be at least ten years old to purchase a hunting license and 12 years old to hunt in big game or trophy species seasons, or apply in those controlled hunts (except that someone 11 years of age may buy the junior license and apply in those controlled hunts, as long as he or she does not actually hunt with the license until turning 12). ## GENERAL INFORMATION

**Attention Hunters:** The 1998 Idaho Legislature passed the requirement that all applicants for licenses issued by the state, including hunting or fishing licenses, tags, permits, and stamps, must give their social security number in order for a license, tag, permit, or stamp to be issued. The Idaho Privacy Law protects your social security number. Your social security number is considered confidential and WILL NOT be given to any private person or organization.

### YOUTH HUNTS FOR TURKEYS

A hunter must be 15 years or younger on April 8, 2006 to hunt in the general season youth hunt (April 8-9, 2006). A hunter must be 15 years or younger on April 7, 2007 to hunt in the general season youth hunt (April 7-8, 2007). A hunter applying for a controlled hunt open to youth only must be 15 years of age or younger on the opening date of the hunt (April 15) for which they are applying. All youth hunters must be accompanied by a licensed adult 18 years or older who shall be close enough to be within normal conversation or hearing range without shouting or the aid of electronic devices.

Hunter education graduation license holders are not eligible to purchase turkey tags. However, youth ages 10-11 can purchase a youth small game license and then can purchase a turkey tag and/or apply for a controlled turkey hunt.

### HUNTER AND BOWHUNTER EDUCATION REQUIRED

- To purchase a hunting license, all hunters must show proof that they have completed a hunter education course if they were born on or after January 1, 1975, unless they previously held a hunting license from another state.
- To purchase an archery permit, all bowhunters must show proof they have completed an approved bowhunter education course or show evidence of being previously licensed for an archery-only hunt in Idaho or another state, or complete an affidavit to that effect.

Three options are available for hunters to complete the hunter education requirement.

- The Hunter Education Course includes 15-17 class hours plus a 2-4 hour range and live-fire exercise.
- The Bowhunter Education Course averages 12 class hours plus a field exercise.
- Independent study courses include a Workbook Option and an Internet based course for both hunter education and bowhunter education as alternatives to the traditional classroom courses for students 10 years or older. There is a small additional cost for the Internet courses that is paid directly to the course provider. All independent study courses require the successful completion of an additional 6-7 hour scheduled field day. Course and registration information can be found on the Hunter Education Program page of the IDFG website at [http://fishandgame.idaho.gov/cms/education/hunter\\_ed/](http://fishandgame.idaho.gov/cms/education/hunter_ed/) or obtained from a regional Fish and Game office (see page 2).

It is highly recommended that individuals planning to participate in fall hunts register for a course early in the year and prior to June 30. The number of classes and independent study course field days available becomes very limited due to a decrease in instructor availability close to the hunting season.

Individuals with disabilities desiring to attend hunter or bowhunter education classes may request reasonable accommodations or obtain additional information by contacting the IDFG State Hunter Education Coordinator's office, 600 S. Walnut St. Boise, ID 83707, phone 208-334-3746, or toll free at 1-866-285-1544 or through the Idaho Relay Service at 1-800-377-2529 (TDD) or email: [rfritz@idfg.idaho.gov](mailto:rfritz@idfg.idaho.gov).

### TAG AND PERMIT REQUIREMENTS

No person shall hunt wild turkey without having in his/her possession the appropriate hunting license, general tag, extra tag and/or a controlled hunt permit.

Only three turkeys may be harvested each year.

There will be two types of turkey tags available after December 1, 2005. Prior to May 26, only two tags may be purchased.

- General Tag (*one tag per person per year*)
- Extra Tag (*two tags per person per year*)

A hunter may use the general tag to hunt in any spring general season and also use this tag with a controlled hunt permit to hunt in a controlled hunt. A second bird may be taken May 1 to May 25 with the extra turkey tag. If the general tag or extra tag is not filled during the spring hunt, then that unused tag can be used in a fall general hunt.

The spring controlled turkey permits are valid only for specific areas and seasons as designated by Hunt Number (page 7) and must be applied for between January 15 – February 15, 2006 and 2007. A turkey hunter MUST have a spring controlled hunt permit and a general tag to hunt in a spring controlled hunt. An extra tag cannot be used in a controlled hunt.

A junior hunter with a Junior/DAV/Senior General Tag may hunt in the General Season Youth Hunt.

### CONTROLLED HUNTS

**For controlled hunt worksheet and list of hunts see pages 6 and 7 (*Hunter education graduation license holders are not eligible*).**

**Eligibility:** Holders of valid hunting licenses are eligible to apply for controlled hunts subject to the following restrictions:

- Holders of a Nongame Hunting License may not apply for any controlled hunt.
- Any person applying for a bighorn sheep, mountain goat, or moose controlled hunt may NOT apply for any other controlled hunt in the same year, EXCEPT unlimited controlled hunts, a controlled black bear hunt, controlled turkey hunts, or a designated depredation hunt.

## Applications Dates:

- Spring hunt application period: **January 15, 2006 to February 15, 2006 and January 15, 2007 to February 15, 2007.**

Applications may be submitted electronically at any IDFG license vendor, by telephone (1-800-554-8685 or 1-800-824-3729), on the Fish and Game website (hunting section), or by mail. Mail applications must be received at any IDFG office and postmarked **no later than the last day of the application period**. Applications will be taken beginning **no earlier than the first day of the application period**. Applications must comply with the following requirements:

- Only one application per person or group will be accepted. Additional applications will result in all applicants being declared ineligible.
- Each applicant for controlled hunts must submit a \$6.25 nonrefundable application fee with their application. One dollar of this fee may be designated for the Citizens Against Poaching program.
- A single payment (either cashier's check, money order, certified check, or personal check) may be submitted to cover fees for all applications in the same envelope. If a check or money order is insufficient to cover the fees, all applications will be voided.
- From the first day of the application period to the last day of the application period, Visa, MasterCard, and Discover cards may be used to make telephone applications. Those using the credit card system will pay the \$6.25 fee in addition to a service charge for completing and processing the computerized application and delivering it to IDFG. Charges will be explained upon request. To apply by credit card, dial 1-800-554-8685 or 1-800-824-3729, 24-hours a day, or use the Fish & Game website under the hunting section.

**Group Application** is defined as two hunters applying for the same controlled hunt on the same application.

**Refunds Of Controlled Hunt Fee:** Hunting license fees will NOT be refunded to unsuccessful applicants. Application fees for controlled hunts are not refundable.

**Second Choice Drawing:** Single or group applications which are not drawn for the first choice hunt will automatically be entered into a second choice drawing provided the second choice hunt applied for has not been filled.

**Notification:** It is the applicants' responsibility to find out if they were successful in the controlled hunt drawing. Results for spring seasons will be available by March 10 under the hunting section of the IDFG web page at <http://fishandgame.idaho.gov>. Fish and Game will mail a postcard notification to all successful applicants by March 10.

**Nonresident Permit Limitations:** On 2006 and 2007 controlled hunts, not more than 10 percent of permits may be issued to nonresidents.

**Unfilled (Leftover) Controlled Hunt Permits:** Any controlled hunt permits for turkey that remain unsold after controlled hunt drawings, may be sold on a first-come, first-served basis on or after April 1. Controlled hunt permits will be issued to successful applicants. The 10 percent nonresident limitation shall not apply.

## MISCELLANEOUS INFORMATION

### Tag Validation And Attachment:

- Immediately after any wild turkey is killed, a turkey tag must be validated and securely attached to the bird.
- To validate the tag, the hunter must cut out and completely remove two triangles on the border of the tag, one for the month and one for the day of the kill.
- The tag must remain attached as long as the turkey is in transit or storage.

Hunters must completely remove two notches indicating month and day of kill.

**Wounding—Retrieving:** No person shall wound or kill any game bird without making a reasonable effort to retrieve it and reduce it to possession. Every game bird wounded by hunting and reduced to possession shall be killed immediately and become a part of the daily bag limit.

### Identification Of Game In Possession And During

**Transportation Or Shipment:** Any person in possession of, or transporting, or shipping any wild turkey must comply with the following requirements:

- The beard or spurred leg must be left naturally attached to the carcass. This is needed for identification of species and sex while being transported from the place where taken to the possessor's home or commercial processing or storage facility.
- Any package or container in which a wild turkey is being transported by common carrier must have the name, address, and hunting license number of the shipper, the name and address of the consignee, and an accurate statement of the number of wild turkeys contained in the package or container clearly and conspicuously marked on the outside.
- No person shall transport for another; receive for cleaning, processing, or storage; or accept as a gift any wild turkey or parts of wild turkey unless they are accompanied by a written statement signed by the taker showing the number and kinds of wild turkey, the date taken, the taker's address and hunting license number, and the name of the person authorized to transport or receive game. See proxy pg. 6.
- When a wild turkey is accompanied by a written statement as provided above and is being transported for another, it shall not be counted in the possession limit of the person transporting the wild turkey.

## METHODS OF TAKE— EQUIPMENT RESTRICTIONS

In addition to shotguns, use of archery equipment and muzzleloaders shooting shot are legal for taking wild turkey.

- To fail to stop and report at any wildlife check station encountered on your route of travel even if your hunting activity occurred outside the state of Idaho.
- To hunt any wildlife with the aid of artificial light of any kind, EXCEPT raccoons (see current trapping regulations). Unprotected and predatory animals may be hunted in this manner under certain circumstances and with written permission from the landowner.

Proper posting means either signs, 100 square inches of fluorescent orange paint, or an entire fluorescent orange metal fence post every 660 feet around the property and at reasonable access points.

It is unlawful for anyone to post public land that is not held under an exclusive control lease. Conviction of trespass on posted private property carries a mandatory one-year revocation of hunting/fishing/trapping licenses.

## MOTORIZED VEHICLE RESTRICTION RULE

The Fish and Game Commission has implemented restrictions for motor vehicle use while hunting to address many sportsmen’s concerns about off-road travel. The restricted units are: 29, 30, 30A, 32, 32A, 36A, 37, 37A, 45, 47, 48, 49, 50, 51, 52, 53, 56, 58, 59, 59A, 66, 69, 70, 72, 73, 75, 77, and 78.

The rule is found at IDAPA 13.01.08.411. The rule reads:

### 411. Motorized Vehicle Use Restrictions.

The use of motorized vehicles by hunters as an aid to hunting big game, upland game and upland game birds, is restricted in certain areas. This use restriction is in addition to all federal, state and local laws, rules, regulations, ordinances and orders; including, but not limited to, any motorized vehicle licensing, registration, and permitting requirements and traffic laws. Hunters must comply with all motorized vehicle limits or prohibitions instituted by the landowner or land manager. Also, this use restriction rule is not an exception from, and is in addition to, the statutory prohibition against hunting from or by the use of any motorized vehicle set forth in Idaho Code Section 36-1101(b)(1).

**01. Use Restriction.** In designated areas and hunts, hunters may only use motorized vehicles on established roadways which are open to motorized traffic and capable of being traveled by full-sized automobiles. Any other use by hunters is prohibited. All off-road use by hunters is prohibited.

**02. Exceptions.** This use restriction rule shall not apply to the following permissible motorized vehicle uses:

- a. Holders of a valid Handicapped Persons Motor Vehicle Hunting Permit may use a motorized vehicle as allowed by the land owner or manager.
- b. Hunters may use a motorized vehicle to retrieve downed game if such travel is allowed by the land owner or manager.

- c. Hunters may use a motorized vehicle to pack camping equipment in or out if such travel is allowed by the land owner or manager; however, hunters shall not hunt while packing camping equipment.
- d. Private landowners, their authorized agents and persons with written landowner permission may use a motorized vehicle on their private land; however, they may not hunt from or by the use of any motorized vehicle as prohibited by Idaho Code Section 36-1101(b)(1).

**03. Restricted Areas and Hunts.** This motorized vehicle use restriction shall apply to identified areas and hunts in all Big Game Management Units. The hunts and areas with a motorized vehicle use restriction are identified in the Commission’s Big Game Season Proclamation, which is published in a brochure available at department offices and license vendors.

### 04. Defined Terms.

- a. A full-sized automobile shall be defined as any motorized vehicle with a gross weight in excess of one thousand five hundred (1,500) pounds.
- b. An established roadway shall be defined as any road that is established, built, maintained, approved or designated by any governmental entity or private landowner for the purpose of travel by full-sized automobiles. An established roadway shows evidence of repeated use by full-sized automobiles, and may include a traveled way of natural earth with depressed wheel tracks and little or no vegetation in the wheel tracks.
- c. A hunter shall be defined as a person engaged in the activity of hunting as defined in Idaho Code Section 36-202(j).

## ATTENTION HUNTERS!

THE AREA YOU ARE HUNTING MAY BE INFESTED WITH NOXIOUS WEEDS - NON-NATIVE INVASIVE PLANTS THAT DESTROY TURKEY HABITAT.

TO REPORT NOXIOUS WEEDS, CALL THE IDAHO WEED AWARENESS HOTLINE AT 1-866-IDWEEDS. YOU CAN HELP STOP THE SPREAD OF NOXIOUS WEEDS IN IDAHO.

## TURKEY HUNTING SAFETY AND ETHICS

1. Positively identify your target.
2. Assume every noise and movement is another hunter.
3. Never stalk a turkey or turkey sound.
4. Don't wear red, white, or blue.
5. Protect your back.
6. Shout "Stop" to alert approaching hunters.
7. Make your position known to other hunters.
8. Preselect a zone of fire.
9. Choose safe, ethical hunting companions.
10. Practice courtesy and self-control at all times.

All ethical wild turkey hunters support a series of rules that make wild turkey hunting the quality experience it can be. Following these rules will not only help maintain healthy flocks of wild turkeys in Idaho, but will also add to the challenge and excitement that is wild turkey hunting.

- **Do not disturb nesting hen turkeys or their nests.**
- **Though legal (during legal hours) to shoot a tom out of a roost tree, this practice is unacceptable among most sportsmen.**
- **If you hear another hunter calling a bird, allow that hunter to continue undisturbed and leave the area.**
- **Ask first to hunt on private land.**

# Wild Turkey Distributions

**Shaded areas indicate general wild turkey distribution in the primary units open to wild turkey hunting.**

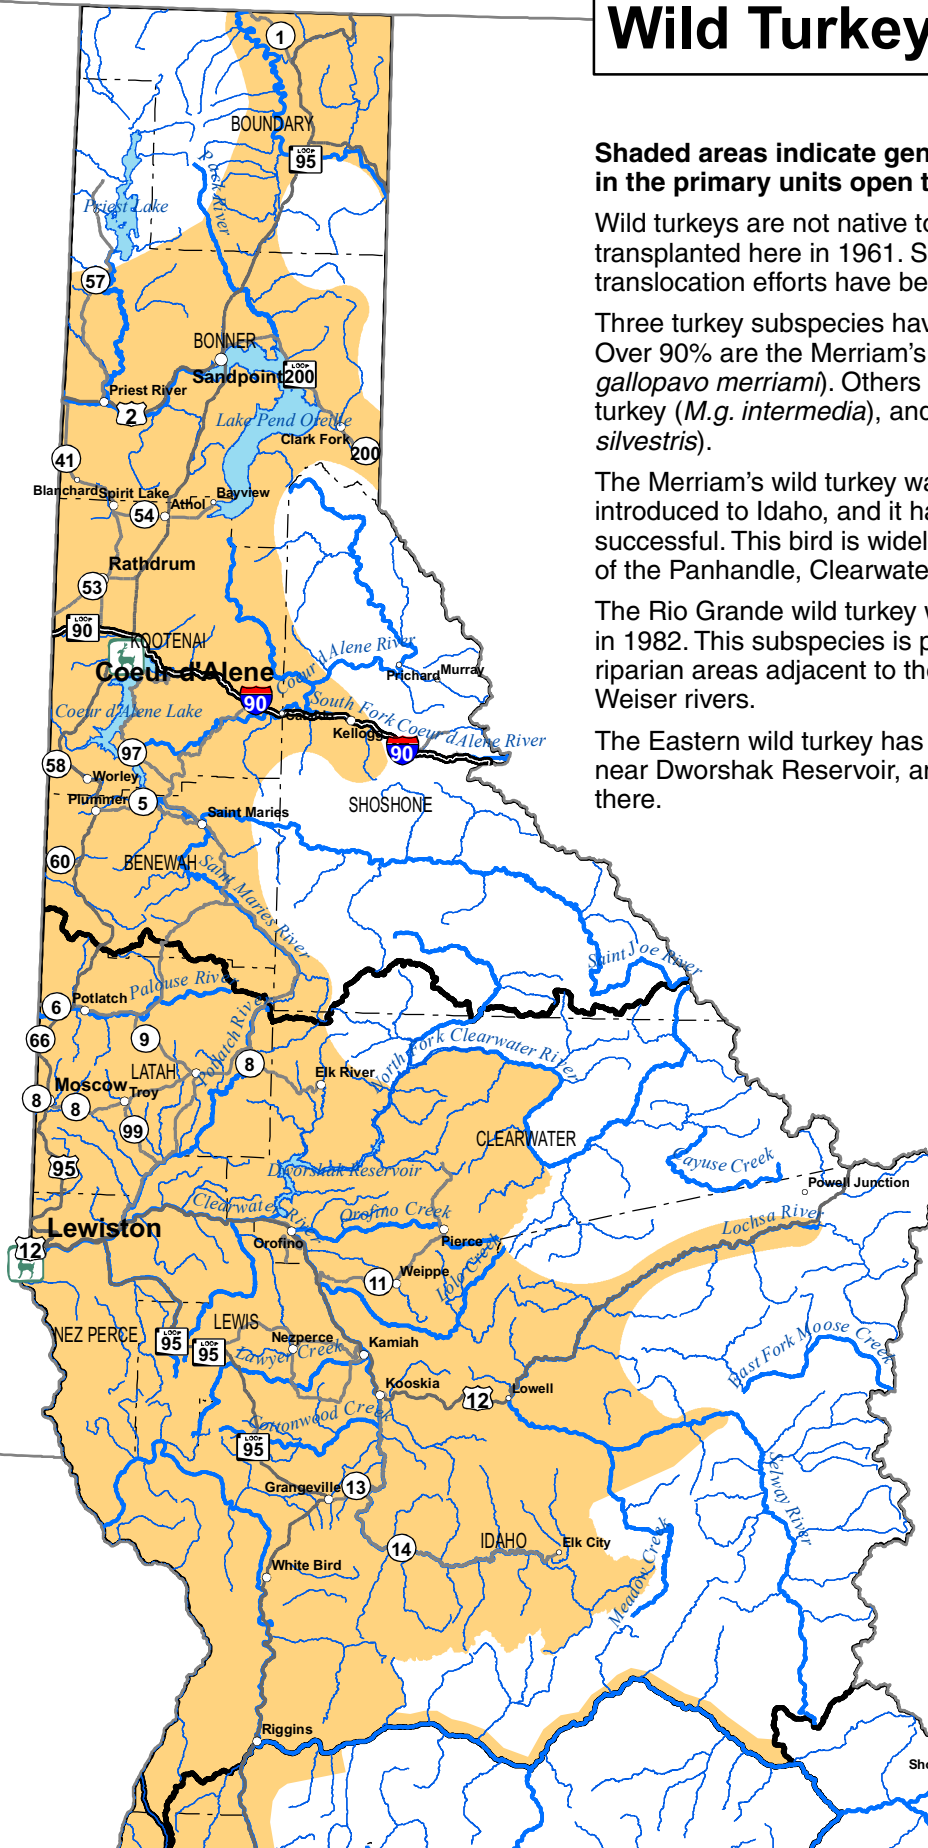

Wild turkeys are not native to Idaho; but were first transplanted here in 1961. Since then, more than 150 translocation efforts have been conducted statewide.

Three turkey subspecies have been introduced to Idaho. Over 90% are the Merriam's wild turkey (*Meleagris gallopavo merriami*). Others are the Rio Grande wild turkey (*M.g. intermedia*), and the Eastern wild turkey (*M.g. silvestris*).

The Merriam's wild turkey was the first subspecies introduced to Idaho, and it has been by far the most successful. This bird is widely distributed in the mountains of the Panhandle, Clearwater, and Southwestern regions.

The Rio Grande wild turkey was first introduced to Idaho in 1982. This subspecies is present in small numbers in riparian areas adjacent to the Snake, Boise, Payette, and Weiser rivers.

The Eastern wild turkey has been introduced to a few sites near Dworshak Reservoir, and some birds may still be found there.

The Idaho Department of Fish & Game (IDFG), and the Idaho State Department of Agriculture (ISDA) in cooperation with the Idaho Fish and Game Advisory Committee have developed a new sportsmen's access and landowner incentive program titled Access Yes!

The goal of Access Yes! is to provide hunting and fishing access on or through private land in Idaho for current and future generations. The program was first introduced in 2003 and will grow over the next few years. When fully implemented, the program could provide access to over 1,000,000 acres of private land in Idaho. Money from a lottery drawing for Super Hunt Tags and voluntary donations provide a significant source of income for the program. Your participation in the Super Hunt lottery and voluntary donations will help achieve a private land access program of which Idaho's sportsmen and landowners can be proud.

A fundamental component to future success of the Access Yes! program is how sportsmen treat private property. Each landowner enrolled in the program has specific conditions that they require sportsmen to follow. We thank sportsmen for adhering to these conditions and respecting private property. Visit this site for more information on Access Yes!:

<http://fishandgame.idaho.gov/ifwis/huntplanner/accessyesguide.aspx>

## DRAW THE HUNT OF A LIFETIME, HELP PAY FOR ACCESS YES!

Expanding **Access Yes!** to provide more hunting and fishing access on private and public land will require additional funding. Part of the funding will come from selling chances to win "super hunt" tags. You can mail in these applications (or photocopies), purchase applications from license vendors or over the phone at 1-(800) 554-8685 or 1-(800) 824-3729 to be mailed to you, or online (see below). Phone and Internet applications have a processing fee added by the contractor providing the service which is equal to three percent of the purchase plus \$3.50.

One super hunt application = \$6.25, package of six = \$24.95, package of 13 = \$49.95. "Super Hunt Combination" applications = \$19.95 for one, \$99.95 for six and \$199.95

for 13. Drawing dates will be June 15 and August 15. You may apply as many times as you like.

**Super Hunt Combo Tag and Super Hunt applications must be received at the Fish and Game headquarters office no later than May 31 for the first drawing.** Applications received after that date will be entered in the second drawing. Applications for the first drawing will not be eligible for the second drawing. **Applications received for the second drawing must be received at the IDFG headquarters office no later than July 31.** Mail applications to IDFG License Section, P.O. Box 25, Boise, ID 83707.

Online there are two ways to get applications: Print the application forms from <http://fishandgame.idaho.gov/cms/licenses/apps/> and mail them in with the proper amount of money (don't send cash - personal checks are accepted). You can also pre-pay by using your credit card to pay online at
